

My Ships

Draw three ships: 1. ☐☐☐☐ 2. ☐☐☐ 3. ☐☐

You can draw them up/down, sideways, or diagonally.

O= Hit X= Miss

Answer your friend's question by making a sentence with **the subject** and **the verb**. Use the positive for when they guessed the correct square. Use the negative for when they did not guess correctly.

For example: Is he doing the laundry?

Yes, he is. *The friend marks it with an O because it is correct.

No, he's not. *The friend marks it with an X because it is not correct.

Verb	I	You	He	She	They	We
do the laundry						
do the dishes						
make dinner						
make a phone call						
take a nap						
take a shower						

My Friend's Ships

Make a guess of which squares your friend's ships might be in by making a sentence with **the subject** and **the verb**.

For example: Is he doing the laundry?

Yes, he is. *Marks it with an O because it is correct.

No, he's not. *Mark it with an X because it is not correct.

O= Hit X= Miss

Verb	I	You	He	She	They	We
do the laundry						
do the dishes
